

Administrative Report December 2012

Municipality of Lake of the Woods

Notice of change in Fire Protection Services

To: All permanent and seasonal residents; all other property owners and commercial operations located in the Township of Lake of the Woods

From: Mayor and Council of the Township of the Lake of the Woods

Subject: Municipal Fire Protection

NOTICE:

Please be advised that due to lack of qualified volunteer fire fighters, the Township of Lake of the Woods can no longer provide emergency fire response on a 24/7 basis from the Morson and Bergland Fire Stations.

A delayed fire response will be provided by the Dawson Fire Station(s) as per the Establishing and Regulating By-Law presently in force.

Residents are being advised that their residential, commercial and other property owner's insurance providers should be contacted immediately to ensure continuity of insurance coverage.

Effective January 15, 2013, the Morson Fire Station will be closed with only minimum support services provided from the Bergland Fire Station when needed and if emergency responders are available.
